Re: HBC 2004 Winter Concert CD's!

Congratulations on a wonderful performance at the HBC Winter Concert! This was the best attended concert we've had since moving to UH in 1999. Selected excerpts from the performance are sure to be played by our 2004-2005 Media Sponsor, 88.7FM KUHF in the coming weeks.

Also, live CD recordings of this concert are currently being edited and are now available for ordering. Please complete the form below and drop it in the mail.
